# WELCOME

## to the Gawler & Districts 4WD Club

Previously known as "The Light Four Wheel Drive Club of SA Inc." this active 4WD club was founded in 2002. Members voted at the March 2008 meeting to change the club's name and meet at Gawler to give the club a more recognizable name and a more central meeting place.

It has become a very social club and has run many a successful day, week-end, long week-end and extended trips. We are a member of the Four Wheel Drive South Australia which incorporates the Driver Training Unit. Most meetings include a Guest Speaker and a monthly club newsletter.

If you are a visitor to tonight's meeting, we welcome you and your family to our club. Please ask as many questions as you want. You can join us on up to 3 club outings before becoming a member. Trip Leaders run each outing and will be glad to help you with tips on four wheel driving and how to get the best from your vehicle. If you would like to join us on any trips and enjoy what 4WD can really bring, please fill out your details on our Trip Sheet/s.

**The Club meets every second Friday in the month at 7.30 pm at the Gawler Elderly Centre Hall in Fourteenth Street, Gawler.**

The meeting dates are shown on page 3 of this newsletter.

*Annual membership fees are \$60 per vehicle/family, plus \$10 joining fee.*

## Notes from Your Committee

### President's report:

A warm welcome to all members and visitors - it does seem a long time since our last meeting! **Remember to be there early this month (7:15pm) to listen to our speaker!!**

### Editor's report:

As mentioned previously, this is your newsletter so if there is anything you would like to see included, be it an article or photograph which you think may interest other club members, please forward them for inclusion. Thank you.

### Vice President's report:

Reminder for the Ngarkat Seed Distribution weekend, 20 - 23 July 2012. It would be great to see more people there this time as "many hands make light work." If you only come for part of the time, that's OK too; just let Peter H know ASAP.

### Treasurer's report:

Nothing to report this month

## July Training Report

### Business arising from DTU monthly meeting

The new training manuals **version 5 SIS10** that supersedes **version 4 SRO** are now available, there are currently 100 copies at \$15 a copy for those that want to continue nationally recognised training and have the version 4 manuals. The AWD/4WD component of the new scope covers: driving on an unsealed road, water crossings and change a wheel.

- There is a **Professional Development Day** on July 14th & 15th for Trainers and Assessors for High lifts, winches etc.
- There is a **Plan Outdoor Recreation Activities Course** on October 20th & 21st. This is part of the Drive and Recover a 4WD Vehicle basic element. For those that haven't completed this part of the basic certificate I strongly recommend you attend if possible. The courses only come around once a year unless it is run by a club and only those qualified can run them. Please contact Peter Harper or Dave Hall if interested for more details.
- For Trainers an Assessor Course is now available at a cost of \$200
- The DTU visited a property at Callington that has opened up for club training with advanced- rock, steep hill, water. The land will be developed for AWD & basic, also mud & water. Cost is \$10 per vehicle per day, is closed January and February due to fire risk. BYO firewood, drop toilet, needs to be self reliant, limited amenities.

As I said at the last monthly meeting I will endeavour where possible to cover as much training as possible before February 2013. I am currently looking at some training days shortly and will make contact with those interested with arrangements. I will be contacting all club members on my database with training manuals within the coming months too see where they are at, interest wise as far as training.

[Dave H]  
Club Training Coordinator

On the JUNE Meeting club night (10th anniversary) we utilised our latest club trainer (Peter H) and myself to perform some wheel changing training. The trainees were Stephen K, Peter C and Joanne W.

Despite the onset of winter it was a job well done to all that participated!

[Dave H]

### Tip of the Month

Following on from a previous month's hint, take a 9 litre pump-up garden spray bottle.

Add a thicker hose and bigger nozzle and fill it with warm water for a pressurized hot shower.

9 litres is a good amount for a decent shower (or so we are told.)

## Trip Reports

### THE ROCKS – 10<sup>th</sup> Anniversary Trip

We gave everyone a good chance to be late and win the privilege of doing the trip report, but no, it is my turn again. Found the lost 'Up and Go' in my pocket (my breakfast) and a 1952 penny on the road for good luck.

There were 12 vehicles in our convoy on a beautiful sunny morning.

Norma's radio wasn't working, so out with the hand held as we left the Tarlee car park and turned left at Giles corner. One wrong turn, a tiny bit of mud (now mostly found under George's Pajero) and 3 of the original families that were on that very first trip - Marie, Quenton and Deb and Keryn and Brent.

We arrived at our location, set up our chairs and tables in the sunshine, got the fire going for warmth and atmosphere, relaxed, chatted over coffee and cake and spent some time looking through an assortment of photos from various trips, with a few explanations required here and there.

Bronte arrived as we were setting up the BBQ for lunch, with shared salads, and we finished off with a cheese platter and a variety of sweets. Meringues made by Jo and special yeast Berlina buns made by George.

It was very pleasant and relaxing sitting around the fire and we all agreed that it was very different to the first trip to The Rocks because now we are a group of friends who know each other and are not strangers as we were back then.

It was a great time to reminisce over the past 10 years, where previously we were very green but excited and had no idea what we were in for, but what a wonderful 10 years it has been with new friendships, great adventures and experiences that we would never have otherwise had the chance of doing.

Following lunch we wandered along the creek to see a group of people kayaking. We checked out the creek line from the top of the cliff face then wandered back to the shelter to pack up and head for home. Bronte and Peter W tried out the maze of tracks lining the creek before setting off. A beautiful way to spend a winters Sunday and a great way to celebrate the **10<sup>th</sup> anniversary of the 1st outing of the 4WD club.**

The discussion on the way home included whether any of today's members would be around to partake in the next 10 year celebrations, whether we would be travelling by gophers or even remember where The Rocks are! Deb admitted to not remembering the 1st trip already, so don't follow her!! Only time will tell.

Thank you, Norma, for leading the trip, bringing the Club BBQ, tarp and firewood and thank you to the Riddles and Rivetts for checking out the location and to the club members for their support.

Looking forward to the next 10 years!!

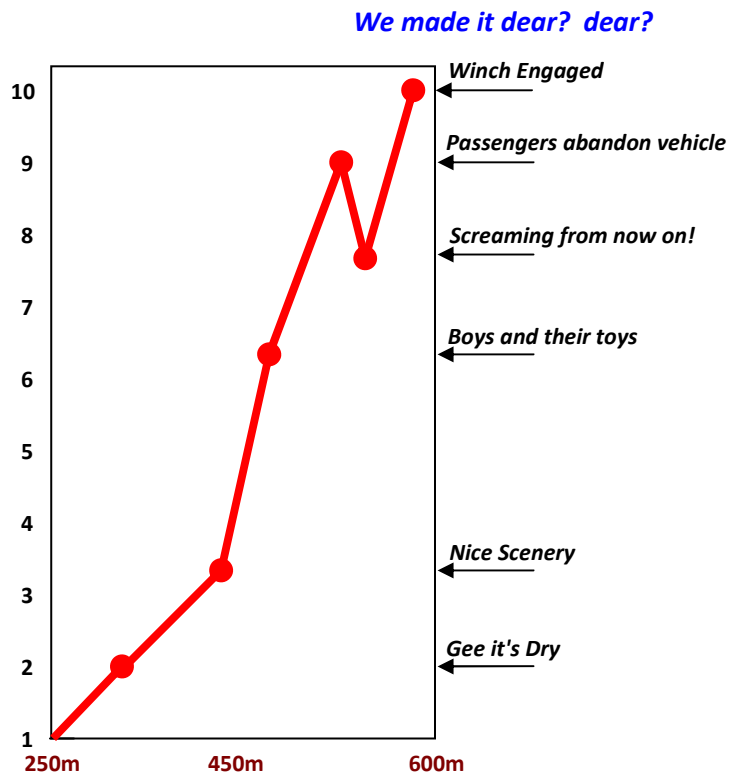

[Keryn]

## THE SCREAMING FACTOR

(Screaming Factor 1 to 10)  
(i.e. Degree of Difficulty)

Original by John and Karyn,  
Club Magazine, November 2002  
(After trip to Bendleby Ranges!)

	Passenger	Driver
1	2 WD at 250 metres	It's a nice day for a scenic drive.
		Yes dear, it is ...
2	2 WD at 250 metres	Gee its dry up here ...
		Yes, but it is a nice view ...
3	2 WD at 300 metres	Don't you think the hubs should be locked in?
		Not yet dear!
	<b>(Radio) – Hubs should be locked in immediately!</b>	
4	2 WD at 350 metres	I told you so!!
	<i>Passenger locates hand holds and moves slowly towards them</i>	
5	Hubs Locked 4WD high at 350 metres	You should be in low range!
		Not yet dear!
	<b>(Radio) Select Low Range!</b>	
6	Low Range 3 <sup>rd</sup> gear, 400m	No!!
	<i>Driver's mental state is questioned!</i>	
7	4WD low, 3 <sup>rd</sup> gear, 450m	Nice scenery, dear ...
	<b>Just shut up and drive!!</b>	
	<i>Finger nails embedded in hand hold</i>	
	<i>Muttering of "boys with toys" starts...</i>	
8	4WD low 2 <sup>nd</sup> gear, 500m Diffs locked!!	Mild screaming and mumbling ...
	<i>Imaginary foot brake is pushed through passenger side floor!</i>	
9	4WD low 1 <sup>st</sup> gear, 550m One Wheel off ground!	Very loud continuous screaming with four letter words in between!
	<i>Passenger abandons vehicle with the words "NEVER AGAIN" ...</i>	
	<i>Passenger looks for clean undies.</i>	
10	4WD low 1 <sup>st</sup> gear, 600m Two Wheels off ground!! "BRAKES APPLIED" Winch engaged!!!	Driver screams and abandons vehicle and grabs winch cable. Driver looks for clean undies and passengers who are now walking home via scenic walk ...

*(Thanks to John M for bringing this little gem to our attention at the 10<sup>th</sup> Anniversary Meeting)*
