# WELCOME

to the Gawler & Districts 4WD Club

Previously known as "The Light Four Wheel Drive Club of SA Inc." this active 4WD club was founded in 2002. Members voted at the March 2008 meeting to change the club's name and meet at Gawler to give the club a more recognizable name and a more central meeting place.

It has become a very social club and has run many a successful day, week-end, long week-end and extended trips. We are a member of the Four Wheel Drive South Australia which incorporates the Driver Training Unit. Most meetings include a Guest Speaker and a monthly club newsletter.

If you are a visitor to tonight's meeting, we welcome you and your family to our club. Please ask as many questions as you want. You can join us on up to 3 club outings before becoming a member. Trip Leaders run each outing and will be glad to help you with tips on four wheel driving and how to get the best from your vehicle. If you would like to join us on any trips and enjoy what 4WD can really bring, please fill out your details on our Trip Sheets.

**The Club meets every second Friday in the month at 7.30 pm at the Gawler Elderly Centre Hall in Fourteenth Street, Gawler.**

The meeting dates are shown on page 3 of this newsletter.

Annual membership fees are \$50 per vehicle/family, plus \$10 joining fee.

## NOTES FROM YOUR COMMITTEE

### Presidents Report:

---

It was good to see such a good turnout for our "Dare Hill Circuit" day trip on the Sunday of the long week-end. Although cool, the sun shone and we were kept warm with a welcome fire and great hospitality at the Mount Bryan Hotel. See the trip report in this Newsletter.

Ron Kandelaars has kindly agreed to be our Guest Speaker for our September meeting. He is known as "Mr. South Australia", as he has visited many parts of the state on the old TV show called "Postcards" and he still travels for stories on ABC Radio and Channel 7 TV News. I would like to see as many members at this meeting as possible, we intend to advertise it to attract more visitors and possible new members, so mark that date - Friday September 9th in your diaries.

If you haven't already booked for the Christmas show, please consider booking soon for Saturday 26th and Sunday 27th November, 2016. Jane at the Caravan Park said it is a busy week-end as it is the opening of the Loxton Lights. Some members have said they will be going up on Friday 25th. When you book, mention "Gawler 4WD Club" as they are trying to keep us in one area.

[Quenton]

### Editor's Report:

---

Thank you for all who have contributed to this magazine, as the caretaker Editor it makes my job much easier. Details of the Christmas show are now in the magazine so please book as soon as possible. Sandra will return for the August Magazine so please forward all articles to her.

Also have a look at the photo by Sandra Heintze in the magazine while it is not a club trip photo it did receive a second prize in the recent Gawler Photography competition. Congratulations a great photo.

## NEW APP FOR PLANTS AND FUNGI

The app Plants and Fungi of South Western New South Wales has just been released for free download, for Android, iPad, and iPhone. It helps identification of plants and fungi. It is designed for anyone who has an interest in finding out about the plants and fungi of south western New South Wales and the surrounding areas. It includes about 1100 Fact Sheets, accompanied by over 3000 images. Even if you are not interested using the characters in the key to find out what a plant is, the Fact Sheets, which can be seen by swiping to the right from the Key page, have lots of pretty pictures.

The area covered by the key is from a point a few kilometres north and east of Mungo National Park, south to the Murray River, and west to the South Australian border. Most of the plants and fungi in Kinchega National Park, eastern South Australia, and north western Victoria, are thus included. Betty Friday Five Magazine

This event is specifically designed for inexperienced drivers, the mud is not particularly difficult and water only 300-400mm deep.

Please enrol by 4 June

### Basic Driving and Recovery theory training course

This course is made up of:

- Theory training weekend on 13-14 August
- Followed by a practical driving weekend at Ashbourne on 20-21 August

You may also nominate for this practical driving event at Ashbourne without doing the theory weekend.

### Course costs

The course costs are very good value for what you receive. For the practical driving events you receive one on one training and assessment in your vehicle by a DTU Training person.

The DTU reimburses their Training Officers for their fuel costs so this is part of the cost you pay and the other is the property access fee paid to the landowner as most of our training venues are private property.

To do the Basic Driving and Recovery course and the practical training events you will need to purchase a set of training manuals which consists of a comprehensive reference manual and a training checklist.

Practical training weekend at Ashbourne	\$90
Practical training weekend at Morgan	\$50
Practical training weekend at Peake	\$90

## TRIP REPORTS

### Dare Hill Circuit Trip 12/06/16

#### TRIP LEADER Quenton & Deb.

Other travellers: Jane & John, Wayne, Brent & Keryn, Sue & Roger, Bronte, Norma & Chris, Roy Schwartz, Nick, Kerry, Caleb & Ally. Our happy group left Tarlee @ 8.40 a.m. It was great to see Mr & Mrs Bottroff and family. Yes the Bottroffs. Congratulations from all of us in the club on your marriage. Best wishes to you all for a very happy marriage.

At Burra we picked up Roy & Pat Starke (Keryn's mum & dad). Then on to Mt Bryan for morning tea. The crops on the south side of the Goyder line are finally looking great. The countryside is looking so fresh & green now. While at Mt Bryan there was a game of Putt Putt. We ended up with 3 winners, Pat, Nick & John. So we had a 'Hole Off' for the winner. You wouldn't believe it but Pat & Nick both hit a hole in 1. 1<sup>st</sup> prize was shared.

From here we went on to Sir Hubert Wilkins Homestead. Those of us who had not seen it before were pleasantly surprised and amazed that we were never taught about this great man at school. If you get the chance have a read about this man. His life story is amazing.

Back on the road again and we had a quick stop on the top of Dare Hill. It was quite cool up there. We came down from the hill and into a valley where we went through the Pitirratuupa Ruins. This was a very

impressive layout. It must have been a very big, very busy station in its day, to have so many buildings around the area and so wide spread. We drove around some more of the circuit going past the Collinsville Homestead and Ketchowla Homestead then found a nice place near a dry creek for lunch.

After lunch we stopped to look at some aboriginal art work. This is being kept safe by having barriers put up. Caleb had his camera with him & found some kangaroo's to snap. We saw quite a few roo's throughout the day. Caleb could be our next

photographer in the club. Hey Caleb how about putting a photo in the competition this year?

On our way back we stopped at Mt Bryan again for afternoon tea. The guys at the Pub (Kymm & Simon) were perfect hosts, selling us coffee's & cakes. The fire was very warm and cosy. We all enjoyed this stop off. Then we stopped at Hanson to rearrange people in cars and say goodbye to Roy & Pat.

Thanks again Quenton for a great day out. We all enjoyed the day and the great company.
